

Kelly Parsons was in our Benefits Department as an assistant administrator. She was liked by all, and in good times or bad, always wore a smile. She was a dedicated employee.

Kelly leaves behind two young children, ages 11 and 13. True & Associates has established a fund – “The Kelly Parsons Family Education Trust”- to assist in her children’s continuing education. A donation of any kind would be graciously received.

Checks would be made out to the above underscored name and sent to:

The Kelly Parsons Family Education Trust

Thank you,

Thomas M. True, President
